

Your Wedding is the best party you will ever host, celebrating your love and commitment for you and your partner. So it is important that you enjoy the day as much as everyone else. After all, it's all about the two of you!

S & P Diamond Events are a bespoke wedding planning service based in the heart of East Devon, perfectly placed in the West Country which has it all to offer from Beaches to Castles to Country Estates.

From Elegant to fairytale or something different we will ensure your dream becomes reality.

We offer a wide range of services to suit your needs and can tailor make a bespoke package just for you. Whether you want a small or elaborate event we can find the venue, design your event and include all the finishing touches to make it your perfect day and because the event is all about you, we get to know you to ensure that you have an amazing day.

With our complimentary first consultation this allows us to get to know you and your desires and together we will work through your wishes and budget.
